

# Company Name Change Certification Form APCD-106

Air Pollution Control Division

All sections of this form must be completed. This form may only be used for a company name change when the existing responsible company on record simply changes its name. If the existing responsible company on record is sold or is otherwise transferred to another entity, it is considered a transfer of ownership. A merger is considered a transfer of ownership. If a transfer of ownership has occurred, use the Transfer of Ownership Certification form (Form APCD-104) found on the Air Pollution Control Division (APCD) website.
