**Colorado Department of Public Health and Environment
Water Quality Control Division (WQCD)
Public Notice No. CO-2-2019
Denver, Colorado February 14, 2019**

This notice states that the CDPHE intends to issue, deny, modify, revoke and reissue, terminate or reissue, Colorado Discharge Permit System permits, pursuant to the Clean Water Act, and the Colorado Water Quality Control Act. All permits are subject to the U.S. Environmental Protection Agency (EPA) review. WQCD has made tentative determinations in conjunction with EPA that limitations and conditions imposed in these permits implement all applicable statutes and regulations and water-quality standards. Written comments or written requests for a public meeting on the tentative determination are to be submitted to WQCD by March 18, 2019. Also, written comments must be received by this date from any person who believes the proposed actions have the potential to cause material injury to a water right. Additional information is available at the County Clerk and Recorder's office of the county in which the proposed discharge is to occur or at the WQCD's office (303-692-3517): The mailing address for written public comments is - CDPHE, WQCD-P-B2, 4300 Cherry Creek Drive South, Denver, Colorado 80246-1530. This notice also informs the public of possible water quality enforcement/penalty actions, which are open for public comment until the date identified above. The website to view the public notice, permit drafts and additional information on settlements/penalty actions can be located at <https://www.colorado.gov/pacific/cdphe/wq-actions-and-public-notices>.
