COLORADO MEDICAL WASTE SERVICE PROVIDERS

June 2017

**Colorado Department
of Public Health
and Environment**

The companies listed offer onsite pick up and other medical waste and hazardous waste services to health care facilities in Colorado. If you would like to be added to this list, please contact the Division at comments.hmwmnd@state.co.us. The Colorado Department of Public Health and Environment neither recommends, endorses nor certifies the services of the companies listed. The state health department keeps hazardous waste and solid waste compliance files (permits, inspections, enforcement actions and related information) for regulated facilities.

You are encouraged to review the permitting and compliance history of a waste service provider before making a selection.

To request a review of the solid and/or hazardous waste files, please contact:

Hazardous Materials and Waste Management Division Records Center
