## Part 20 TENORM and Part 12 rulemaking schedule

Note: This document requires downloading prior to using links.

The rulemaking schedule is subject to change and interested stakeholders should periodically refer to the Part 20 TENORM and Part 12 rulemaking website for updated information.

### • **May-June 2020**

- A stakeholder comment period for the draft proposed Part 20 and Part 12 regulations will begin May 4, 2020 and end on June 15, 2020.
- A virtual stakeholder meeting to review and discuss the proposed new rule/rule changes will be held on May 26, 2020.

Details regarding the meeting time and platform will be available on our website and will be posted closer to the meeting date.

### • **July-August, 2020**

- A second stakeholder comment period for the draft proposed Part 20 and Part 12 regulations will begin July 13, 2020 and end on August 10, 2020.
- An additional virtual stakeholder meeting to review and discuss the proposed changes will be held on July 27, 2020.

Details regarding the meeting time and platform will be available on our website and will be posted closer to the meeting date.

### • **September 16, 2020**

Following evaluation and consideration of comments received during the comment period, a request for rulemaking before the Colorado Board of Health is planned for September 16, 2020. Note that the Board does not typically accept public testimony at a request for rulemaking. At the September meeting, the radiation program will present the proposed new regulation/regulation changes and request that the Board set a rulemaking hearing for November 18, 2020.

# COLORADO

## Hazardous Materials & Waste Management Division

Department of Public Health & Environment

- **September 22, 2020**

The department will begin a stakeholder process to develop TENORM guidance to help with the implementation of the proposed Part 20 rule.

Details regarding the meeting(s) and platform will be made available on the [TENORM website](#) and will be posted closer to the meeting dates.

- **November 18, 2020**

Pending acceptance at the September request for rulemaking, the Colorado Board of Health will conduct a rulemaking hearing on November 18 for the new Part 20 and associated changes to Part 12. For additional scheduling information regarding the November hearing, and the opportunity to provide testimony refer to the Board of Health website in early November at: <https://www.colorado.gov/pacific/cdphe/boh>.

- **January 14, 2021**

If adopted by the Board during the November rulemaking hearing, the proposed changes to the rules will become effective on or about January 14, 2021, pending publication by the Colorado Secretary of State.
